

The Truesdale

Traditional bungalow with front attached garage

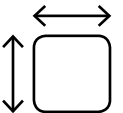

Enjoy the comfort of a traditional bungalow that still has great curb appeal and offers ample space for a small family. The truesdale plan featured below is one of 3 layout variations that can happen without affecting the front curb appeal, but gets you more square footage and more bedrooms on the main floor. contact us to inquire about the Truesdale variations.

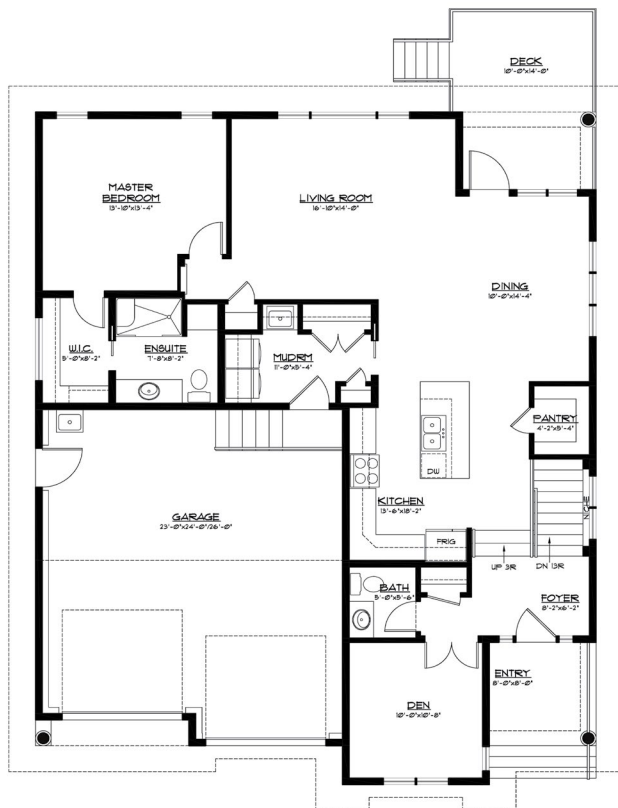

Designed to suit most developments, acreages and farms. Call or email to inquire.
